

TOOL DESIGN

SPECIALIZED PRODUCTS

Precision Screwdriver / Drill / Ratchet / Bits / Motherboard Tools

Easy Tool Enterprise Co., Ltd.

Which is located in Taichung City,central Taiwan, has been specialized in production and development of screwdrivers and bits with good reputations in the global market.

With a history over 30 years, Easy Tool is a seasoned maker in the line

Turning out a variety of screwdrivers, including precision screwdrivers, magnetic screwdrivers, one-touch screwdrivers, jewelrprecision screwdrivers, screwdrivers with LED lights, screwdriver bits with different specifications, torque drivers, hammer drivers, ratchet tools and hand tool sets. All the products have been well received in European and Japanese market.

The company's tools are available in various materials

Such as S2 steel, chrome, molybdenum and other special metals for custom designs and functions. To secure consistent product quality, the company has also built a full line of VDE equipment to have its product tested for temperature endurance, pull force and durability. Plus, the company is also reputed as a reliable OEM and ODM in line.

SHARK MAGNETIZER

PAT.

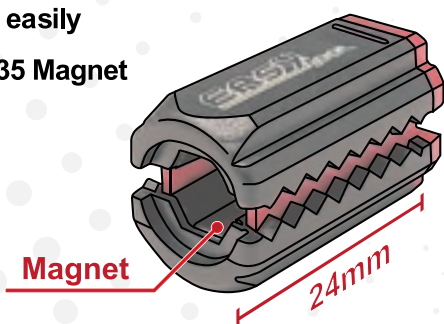

— SIMPLE • CONVENIENT • FUNCTIONAL —

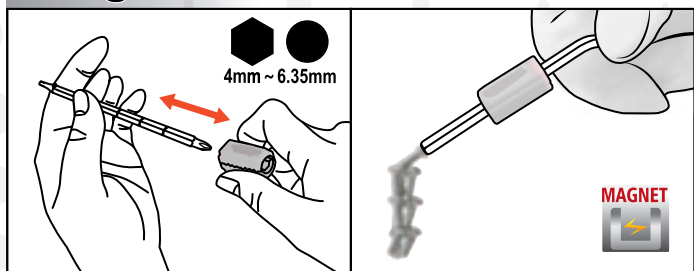

TAIWAN - NO. 1721761
JAPAN - NO. 6931104
GERMANY - NO. 10 2020 125 778
CHINA PATENT
U.S. PATENT

FEATURES

- Automatic adjustment to fit bit diameter
- Suitable for all kinds of bits, Hex key, and screwdrivers under 6.35mm
- The powerful industrial N35 magnets keep the magnetism longer
- Magnetize / Demagnetize the bits
- Pick up screws easily
- Material: PC+N35 Magnet

Usage

Absorbable on
the iron plate
